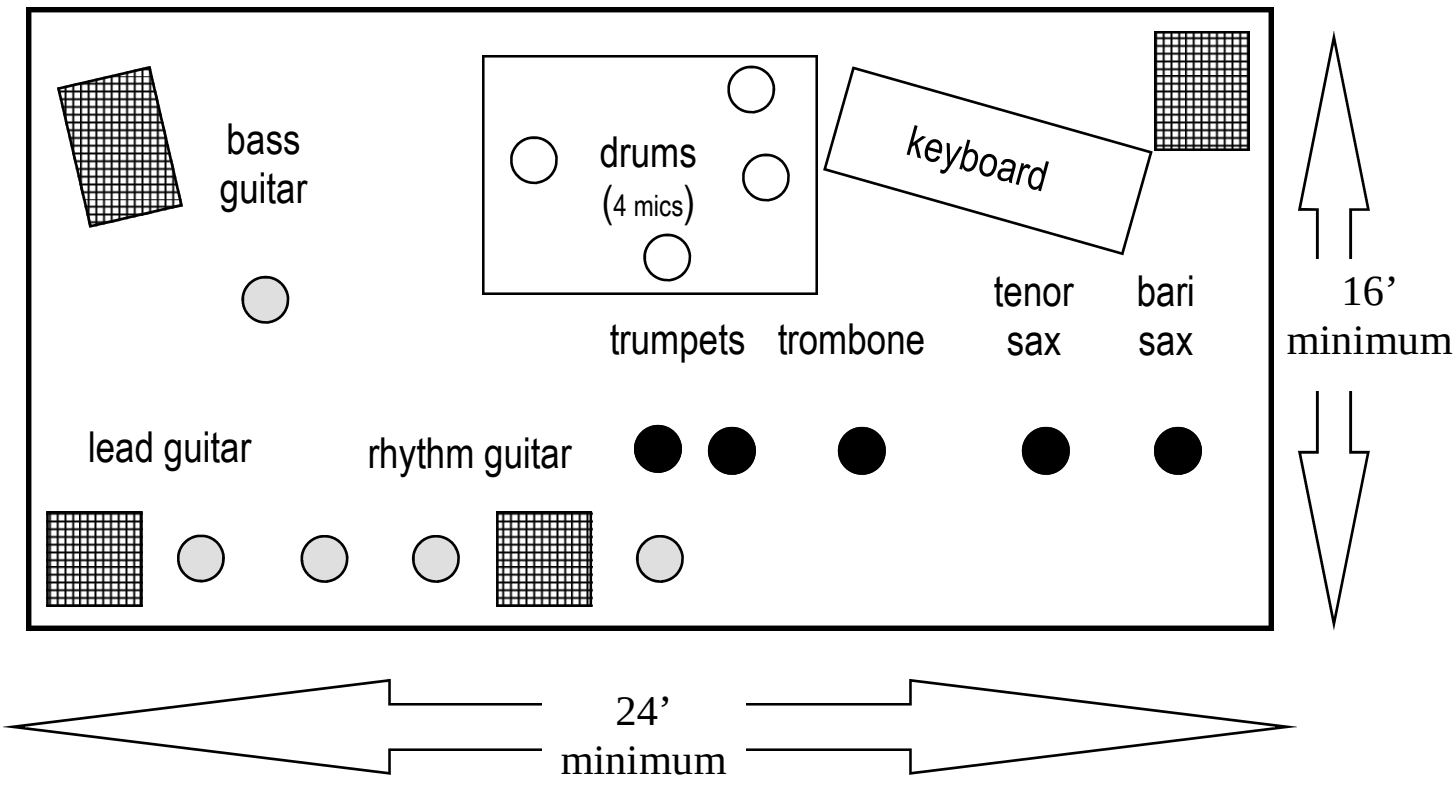
Stage Plot

PLEASE NOTE:

Minimum stage requirement is 24'x16'. Dimensions should **not** be regarded as **desired**, but should meet and preferably exceed this size.

Power requirements are **two individual 20 amp 110-120 volt circuits**, one each for the stage and for the audio equipment.



= vocal mics on stands (5)

= instrument mics on stands (5)

= amplifier (via direct box) (4)

= drum mics (4)
