

Stage Plot

PLEASE NOTE: Minimum stage requirement is 24'x16'. These dimensions should **not** be regarded as **desired**, but should meet and preferably exceed this size. Power requirements are **two individual 20 amp 110-120 volt circuits**, one each for the stage and for the audio equipment. Lights, if necessary, will require an additional circuit.

- = vocal mics on stands (5)
- = instrument mics on stands (6)
- ▣ = amplifier (via direct box) (4)
- = drum mics (4)
- ▼ = monitors (9)
